"User clicks on  
the reset button"  
and the page  
resets to it's  
original self.

"User clicks on  
the shuffle button"  
all of the 6 boxes  
to the right move  
into different  
positions.

"User clicks on any  
Six boxes and the  
facts of the animal  
shows up inside the  
note box of the  
top left.
